Draft invitation text (not approved)

Join us for a neighbourhood repair afternoon on **15 November 2026**, from **11:00 to 14:00**, in the upstairs room at Maple Community Hall. We were considering a **£5 entry** charge to cover supplies. Booking arrangements had not been agreed.

The draft layout suggested four repair stations. This was an early estimate while the volunteer roster was being assembled, not a confirmed capacity. Refreshment arrangements were also provisional.

Review comments carried with the draft

- Venue team: upstairs room access needs review; consider the main hall instead.

- Volunteer team: Sunday availability has not been confirmed.

- Communications: do not circulate until the admission policy is settled.

Disposition

The planning meeting on 30 October replaced the date, opening hours, room and admission wording. This copy was not sent. It remains in the folder so the coordinator can identify outdated language in other materials.

Fictional AMBI-Bench source. No real invitation or event.
